FLOW FITTINGS MAR PISCINE

Stainless steel AISI 316 L

- Skimmers in stainless steel
- Main drains in stainless steel polished finish
- Through wall fittings
- Wall inlet fittings
- Deck box

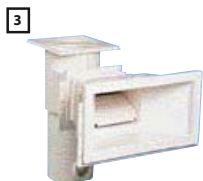

FLOW FITTINGS PROCOPI

Skimmers

ABS Liner Skimmers

Reference	Description	Euro
1 3007021983	Liner Skimmer for above-ground pools	72,10
3007021984	Eco, small mouth 20 mm extension	55,26
3007021985	Small mouth 20 mm extension	106
2 3007021986	Small mouth 167 mm extension	106
3007021987	Small mouth 312 mm extension	129
3007021988	Large mouth 167 mm extension	130
3 3007021989	Large mouth 312 mm extension (model SL-119) 1 piece	136
3007021607	Large mouth 312 mm extension (model SL-119) box of 2 pieces	246
3007021990	Special design for automatic covers 457 mm extension, box of 2 pieces	381
3007021997	Liner flange kit, large mouth	36,92

ABS Concrete Skimmers

Reference	Description	Euro
3007021991	Small mouth 20 mm extension	75,28
3007021992	Small mouth 167 mm extension	96,42
3007021993	Small mouth 312 mm extension	118
3007021994	Large mouth 167 mm extension	120
3007021995	Large mouth 312 mm extension (model SB-118) 1 piece	216
3007021608	Large mouth 312 mm extension (model SB-118) box of 2 pieces	203
3007021996	Special design for automatic covers 457 mm extension; box of 2 pieces	191

ABS Floating skimmer

Reference	Description	Euro
4 3007021998	For above ground pool	181

Jet Vac

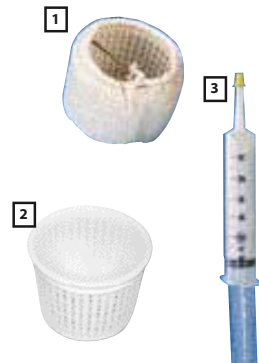

Reference	Description	Euro
5 3007021999	Complete Jet-Vac collar weir for skimmers	58,05

Skimmer accessories

Reference	Description	Euro
1 3007022000	Polyester POOL-BAG, set of three	32,28
2 3007022001	NET'SKIM disposable prefilter bag, box of 12	17,23
3 3007022003	Liquid ABS syringe (to repair any ABS fittings)	40,10
3007022004	SV-200 Universal Skim-Vac with elbow exit	9,84

Main drains

4 ABS Liner Main drains

Reference	Description	Euro
3007021612	2 exits (2" & 50 to glue)	36,48
3007022005	2 exits (2" & 1"1/2) + plug and seal	43,14
3007026978	exit dia. 50mm or dia. 63mm to glue	34,17

ABS Concrete Main drains

Reference	Description	Euro
3007021614	2 exits (2" & 50 to glue)	25,91
3007022006	2 exits (2" & 1"1/2) + plug and seal	32,43
3007026979	exit dia. 50mm or dia. 63mm to glue	26,93

Flanges

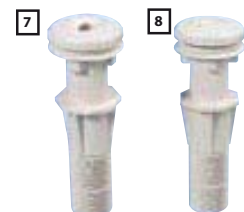

ABS Puddle Flanges

Reference	Description	Euro
5 3007022019	Wall Flange, 250 mm, threaded 2" & 50 to glue	11,15
6 3007022020	Universal wall flange, 250 mm, threaded 2" & 50 to glue	16,65

ABS Puddle Flanges with incorporated return - 2" + 50mm glue

Reference	Description	Euro
7 3007022021*	Liner, 250 mm with return and directionable jet	26,06
8 3007022023*	Liner, 250 mm with vacuum point and plug	24,61
3007022024	Concrete, 250 mm, with return and directionable jet	22,87
3007022026	Concrete, 250 mm, with vacuum point and plug	20,56

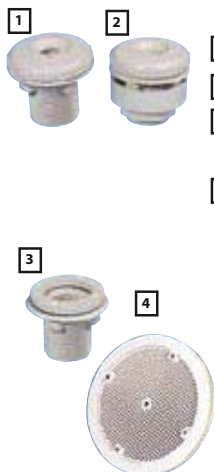

* black - grey - white - blue - green - sand

Return fittings

ABS Returns

Reference	Description	Euro
1 3007021891	Liner return with directionable jet for brickwork/liner	15,35
2 3007022027	Liner return with directionable jet for panels/liner, with nut and clamp	20,99
3 3007022028	Liner return for brickwork/liner	12,88
3007022029	Liner return for panel/liner with nut and clamp	21,14
4 3007022030	Liner return blank, with grid, 2" to glue	38,80
3007022031	Liner return with adjustable grid, 3" to glue	281
3007022032	Liner return with directionable jet for thin walls (such as 1piece pools) with nut and seal	16,50
3007022033	Liner, bottom, threaded male 2", female 1 1/2"	54,87
3007021892	Concrete return, threaded 2" & 50 to glue with directionable jet	11,29
3007022034	Concrete, male threading 50 to glue, w/directionable jet	8,40
3007022035	Concrete, male threading 63 to glue, w/directionable jet	9,84
3007022036	Concrete return with grid, 2" to glue	24,47
3007022037	Concrete return with adjustable grid, 3" to glue ON DEMAND	173
3007022038	Concrete, with grid, 3" to glue	30,69
3007022039	Concrete, bottom, threading male 2", female 1 1/2"	36,63

ABS Vacuum Points

Reference	Description	Euro
5 3007022040*	Liner Vacuum Point with plug for brickwork/liner	15,35
3007022041	Liner Vacuum Point with plug for panels/liner with nut + bracket	19,69
3007022042	Concrete Vacuum Point with plug	11,29

Coloured Flow Fittings for liner pools

Reference	Description	Euro
3007010922*	Coloured Wide Mouth Skimmer 312mm (model SL-119)	149
3007022021*	Coloured Liner, 250mm with Return & Directionable Jet	28,66
3007021891*	Coloured Liner Return with Directionable Jet for Brick	16,94
3007022023*	Coloured Liner, 250mm with vacuum point and plug	27,22
3007022040*	Coloured Liner Vacuum Point + Plug for Brickwork / Liner	16,94
3007029698*	Coloured Main Drain Liner Lateral Exit (50/63) - BL310	37,64

* black - grey - white - blue - green - sand

Automatic level regulator

Reference	Description	Euro
1 3007022059	Aquareva Mechanical Floater Level Regulator	115,67
2 3007026980	Aquareva Mechanical Floater Level Regulator NEW MODEL	195,44

Accessories

Reference	Description	Euro
1 3007022043	Directionable eyeball jet for RL/RB Ø 21	4,62
2 3007130642	1"1/2 threaded plug with seal	4,92
3 3007022045	Threaded plug for RL/RB	5,37
4 3007022046	Ø 38 x 1"1/2 turning vacuum adaptor	12,02
5 3007022048	Hose connector male threaded in 1"1/2, to screw	7,53
6 3007022049	Hose connector male threaded in 1"1/2 to 38mm, to screw	7,53

Deck Drain System

Reference	Description	Euro
3007022050	2m length, per length	78,32
3007022051	Couplers, per piece	6,27
3007022052	End cap, per piece	6,27
3007022053	135° angle, per piece	28,52
3007022054	90° angle, per piece	28,52
3007022055	90° T-square, per piece	47,05
3007022056	Cross piece, per piece	57,62
3007022057	Draining T-square, per piece	49,66
3007022058	Fastening clip (3 clips per 3m length)	2,52
